

# Team 1 Homenote

AnchorPoint Christian School

4/17/2017

*Dear Parents,*

This week Tuesday is the day when each grade will be able to experience the new level they will be in next year. The second graders will "visit up" with Team 2. The first graders will be the "Olders" when the kindergarteners come to "visit up" in Team 1. The kids enjoy this opportunity to see what next year will bring.

Some of the kids have library books that are overdue. Please help your child search for the book so that others may enjoy reading it.

Thursday night is our school's Open House. It is an opportunity for you to visit the new classroom your child will be in next year. It is also a time when you can invite an interested friend to come and learn about AnchorPoint Christian.

## *Team 1 Information*

### **A look at our week**

**In Bible** our memory verse is due on Wednesday. We will be learning about Jesus' appearances after his resurrection. This week in **Math** the Youngers will finish up our unit about fractions with a review on Wednesday. The new unit Family letter will come home today. The Olders will also wrap up their fractions unit this week. In **literacy work** it has been delightful to hear the reading progress this group is making. The many of the Youngers are surprised to see that they are able to read beginning chapter books. The Olders are able to think beyond the words to understand the character's feelings and motives. This is such an exciting time of the year in our reading groups! In **Science** the animal projects are almost complete. Each child will orally present their project to the class this week.

Please feel free to contact me with any questions that may arise.

School: 608-4006
