

Team 1 Homenote

AnchorPoint Christian School

4/24/2017

Dear Parents,

Theme Week is here. What an exciting week this is for the kids! Check the schedule to know what to wear each day. Look for some fun pictures on the monitor at school.

Monday (24) - Sports Day/ Tuesday (25) - School Spirit/Hat Day/ Wednesday (26) - Mismatch Day/ Thursday (27) - Solid Color Day/ Friday (28) - Crazy Hair Day.

Family Fun Night is this week Friday. To help with the "fun" of this evening, Team 1 is being asked to bring 2 boxes of cereal for the Cereal Walk game. Thanks for donating!

Everyone did such a great job on the animal projects. I will be sending them home this week. Each child found their own information and put the project together on their own.

A look at our week

In Bible this week we find out about the early church. We will begin with the exciting story of Pentecost. We will discuss how we too can tell others the wonderful story of Jesus and His love for us. This week in **Math** the Youngers will be working hard on learning addition facts. We will begin to explore how to add and subtract two digit numbers. The Olders begin a unit on measurement. They will talk about linear measurements and fractional units of length. There is a Family Letter coming home to highlight this unit. In **literacy work** we work on dialogue as we are reading. With each group I have discussed quotation marks. When reading orally my voice should change to show someone is speaking. This week we will look at the "ew" and "ui" sounds. In **Science/Social Studies** we begin a unit on caring for God's world. We will take a look at earth forms and bodies of water.

Please feel free to contact me with any questions that may arise.
