

Team 1 Homenote

AnchorPoint Christian School

12/11/2017

Dear Parents,

The snowy weather is fun to play. Please help your child pack shoes to wear at school. Sleds may come to school for sledding. Please make sure to label it with your child's name.

At recess I try to make sure each child is dressed for the weather. Once in a while some piece of clothing is left at home. We have a few items to be borrowed at school.

Next week Monday Team 1 and our preschool buddies will decorate Christmas cookies together. You and the parents of the preschool students are invited to stay for this short time to visit with each other. We plan to begin around 8:50 and wrap up close to 9:10.

Next week Tuesday will be our last day before Christmas break. There will be a snack/popcorn sale on this day. In the afternoon we will have a birthday party for Jesus.

A look at our week

In **Bible** this week we will talk about the birth of Christ. We have been talking about the word "love" during devotions. Our focus is "love came down at Christmas." We have been reading stories based on the Christmas story. This week we will take a look at the people and parts of the story. **Math**-The Youngers will learn about and measure with the inch. We will practice measuring with a measuring tape later this week. The Olders will practice money notation as they "go shopping" during math. Fact practice will continue. This week during **literacy** we will practice using the "ag, eg, ig, and ug" chunks. These chunks will review the short vowels. When you read with your child, notice the chunks in words. I like to think of the chunks as building blocks to sound out the rest of the word.

Please feel free to contact me with any questions that may arise.

School: 608-4006

Home: 540-4969
