

Team 1 Homenote

AnchorPoint Christian School

2/12/2018

Dear Parents,

On Tuesday we have a special assembly for the NED show. The acronym NED stands for Never give up, Encourage others, Do your best. We are looking forward to this inspiring presentation.

Wednesday we will celebrate Valentine's Day together. In the afternoon we will have a card exchange and share our friendships. We have special cookies coming for our day.

Next week Monday and Tuesday we will have our winter break. I hope that you and your family can make some special times together.

Our Special Person of the week is Ethan Graffy.

A look at our week

In **Bible** our new unit is about the Judges of Israel. The Israelites turn their backs on God and are defeated by enemies. When they call out to God He hears them and sends a judge to lead them. **Math**-The Youngers will begin practicing addition facts. We will look at facts using doubles. Then we will take a look at doubles +1. The Olders will take a look at arrays and how they relate to multiplication. They will continue practicing fact strategies. In **literacy** we are learning about the **CVC** and **CVCe** patterns in words. When we see a word ending in an "e" the vowel says its name. In a CVC word the vowel says its sound. While reading help your child to identify some of these patterns in words. In **Social Studies** this week we will spend time learning about President's Day. Our focus will be on Presidents Washington and Lincoln.

Please feel free to contact me with any questions that may arise.

School: 608-4006

Home: 540-4969
