

Team 1 Homenote

AnchorPoint Christian School

2/22/2016

Dear Parents,

Parent-Teacher conferences are coming up. You can sign up for them on line. Last week a sheet went home giving details about this. Conferences will be held on March 9 in the evening and March 10 in the morning. If you have a question please let me know.

The competition is really heating up. Send in your Box Tops to help our class win the ice cream party. Friday, February 24 will be the last turn in day.

Next week will be the first week of March. March is celebrated as reading month. There will be many incentives to keep you and your child reading. Please be watching for these fun activities.

The mild weather has been wonderful. Please continue to help your child dress for the weather conditions. Wearing a few layers can give your child options when the cold morning weather changes to mild afternoons. We have had many cold kids at recess.

Team 1 Information

A look at our week

In **Bible** we have been studying the miracles of Jesus. In these miracles he shows his power over nature, power to heal and love for all people. This week in **Math** the Youngers will take a look at the quarter, digital time and work on addition facts. The Olders will work on fact practice and take a look at multiplication number stories. In **literacy work** we are reviewing tricky words from the word wall for our words this week. We will take a look at the "ow" chunk. Do you know the two sounds it can make? In **Social Studies** We will discuss "common good" and "individual rights". Our government makes decisions with these values in mind. The Bible focuses on working together for God's purposes.

Please feel free to contact me with any questions that may arise.
