

Team 1 Homenote

AnchorPoint Christian School

2/27/2016

Dear Parents,

Hand-to-Hand is a new program being offered to all AnchorPoint students. This free program offers food to families over the weekend. If you did not sign up for this and would like to please stop in the office.

Parent-Teacher conferences are coming up. You can sign up for them on line. Conferences will be held on March 9 in the evening and March 10 in the morning. If you have a question please let me know.

This week begins "March is Reading Month". There will be many incentives to keep you and your child reading. Please be watching for these fun activities. In class we will explore different genres of books and share favorites.

Permission slips for our next field trip are coming home today. These need to be signed and returned by Friday. Our class will be going to on a second field trip on March 16.

Team 1 Information

A look at our week

In **Bible** we have been studying the miracles of Jesus. In these miracles he shows his power over nature, power to heal and love for all people. This week in **Math** the Youngers will finish a math unit with a test. We will begin a new unit on geometry. The Olders will look patterns doubles and halves. They will record data and learn to find the median. In **literacy work** our reading groups have been busy. Many of the groups took books home last week. You will notice improved sound stretching and sight word memory. In **Social Studies** We will wrap up our unit Citizens in a Community. This week we will take a look at how communities have to decide how money is spent for the common good.

Please feel free to contact me with any questions that may arise.

School: 608-4006
