

Team 1 Homenote

AnchorPoint Christian School

2/5/2018

Dear Parents,

This week we will reach our 100th day of school. To celebrate I would like each student to make a collection of 100 items. I am sending home a bag with instructions. Please help your child choose items that will fit in the bag. The collections should be turned in on or before Thursday. We will share the collections on Thursday our 100th day of school.

Next week Wednesday is Valentines' Day. We will have a card exchange as a class. To help your child with this I am sending a class list home.

Our Special Person of the week is Aurora Bosma.

A look at our week

In **Bible** this week we will learn about Achan's sin, the Israelites victory in battle and God's continued faithfulness. **Math**-The Youngers will continue practicing telling story problems. They are growing their number scrolls. We are making numbers using our base 10 blocks and practicing adding them. The Olders will be working with comparison stories, bar graphs and ballpark estimates. In **literacy** we have been sorting pictures. As we work in groups the kids discuss ways to group the pictures. By the end of the week the kids sort the pictures using a sound pattern they discovered. Then after sorting look for more words with the pattern. You can help as your read and notice these parts in words. Our **Social Studies** unit will wrap up with a discussion how our families get what they need - trade or buy.

Please feel free to contact me with any questions that may arise.
