

Team 1 Homenote

AnchorPoint Christian School

2/6/2016

Dear Parents,

This week Friday will be our 100th day of school! I would like each child to bring in a collection of 100 items. This could be 100 stickers (on a piece of paper), hair ties, marbles, erasers, rubber bands and the list goes on. I would like to display these in the hallway. It is interesting to see how different each 100 looks. The collections may come in any time before Friday. Please send them in a clear food storage bag.

Next week is our Valentine's Day exchange. The kids always have fun looking at the cards others give them. We have 19 classmates. If you need another copy of the class list please let me know.

Beginning in January math homework for the Olders has been due on Wednesday and a second is due on Friday. Several students are having trouble handing these in on time. If your child is an Older please help them with this new routine.

Team 1 Information

A look at our week

In **Bible** we begin a new unit on the miracles of Jesus. The new bible memory is coming home to be practiced. This week in **Math** the Youngers will begin unit 6 which focuses on learning addition and subtraction facts. The family letter is coming home today. The Olders are working with arrays as a way to introduce multiplication. In **literacy work** this week we will review letter writing. With this I will focus on correct sentence writing. A correct sentence needs to begin with a capital letter and end with a period. In **Social Studies** we will continue talking about how our community's government is set up. We will learn about who makes the laws and who makes sure they are obeyed.

Please feel free to contact me with any questions that may arise.
