

# KINDERGARTEN CONNECTION

---

January 5, 2018

Happy New Year! Even though Christmas is over, God is still with us, guiding us through whatever 2018 brings us! Praise God that He is faithful!

## **BIBLE:**

We returned to the Israelites as they make their way to the Promised Land. God gave them the 10 Commandments, and then they promptly disobeyed and made the Golden Calf. We ended with the building of the Tabernacle, so God could dwell visibly with the people.

Rr: Rejoice in the Lord always. I will say it again: Rejoice:.

Hh: Holy, holy, holy is the Lord God Almighty, Who was, and is, and is to come.

## **MATH:**

We did a bit of review on numbers 0-20. For the rest of the month, we will be focusing on adding numbers with sums less than 10.

## **LANGUAGE ARTS AND SCIENCE:**

Our topic (this week and next) is Snow and weather. We read snow stories, including Katy and the Big Snow. We also melted some snow as an experiment - and, unfortunately, the water looked clean so I guess I won't convince them to stop eating snow!!

We continue to concentrate on letters/sounds to sound out words and to read. We are also trying to build some sight word vocabulary. (I, can, see, the, to, me, we, a)

We will be beginning a reading program, too - coming soon!!

## **BUDDIES:**

Our buddies helped us make snowflakes. These will be on display on the bulletin board across from the office.

**SCRAPBOOK HOMEWORK:** Hh objects

## **OTHER NOTES:**

December Book-Its should be turned in. January Book-It calendars are going home today.

ADVANCE NOTICE: No school on Monday, Jan. 15. All staff will have an Inservice that day.
