

Team 1 Homenote

AnchorPoint Christian School

1/16/2018

Dear Parents,

Our shorter week means that there will only be one math assignment for everyone in Team 1. Please make sure the homework is turned in by Friday.

The Bible memory listed on the side is due on Tuesday. When you practice with your child you could echo read - you read they echo you. Another way to practice is make up motions to help remember the parts. You could sing it using your own made up melody. All these ways will work to help your child learn the verse. Most of all they enjoy spending time with you!

In case you didn't hear, the NED assembly was canceled last week Friday due to poor road conditions. We are waiting to find out the rescheduled date.

A look at our week

In **Bible** the Israelites disobeyed God. They will wander in the desert for 40 years. Our stories will be about this time. **Math**-The Youngers are working to complete unit 4. Making 10 to solve math problems is a strategy we are practicing. Later this week we will begin our new unit on place values. Look for a Family Letter to come home explaining the unit more. The Olders will work with line segments, polygons, and quadrangles. Our **literacy** we are working on the "dr, tr, pr" sounds at the beginning of words. Last week we sorted words with these beginnings. This week we will use them in some writing. We are learning about goods and services in **Social Studies**. This week we will discuss the terms "producer" and "consumer" as we learn how our families get the things they need or want.

Please feel free to contact me with any questions that may arise.

School: 608-4006
