

Team 1 Homenote

AnchorPoint Christian School

1/29/2018

Dear Parents,

This week we begin in January and end in February. That means reading calendars can be turned in for another certificate to Pizza Hut. If your calendar has been misplaced, please send me a note letting me know that your child read. I want to encourage all reading. The February calendar will come home on Thursday.

On Wednesday we will celebrate reading with a special reading day. Your child may bring a stuffed animal to class and a favorite book to share. During the afternoon we will share reading, do some writing and eat some words. You will have to wait to ask your child about that later this week.

Our first Special Person of the week is Malachi Allersma.

A look at our week

In **Bible** this week we will hear the stories of the Israelites settling the Land. We will learn about Rahab, the crossing of the Jordan River and the conquering of Jericho. **Math**-The Youngers will learn to use the comparison signs of $<$, $>$ and $=$.

We will practice telling number stories. The Olders are finishing unit 5 and will begin a new unit. Please see the Family Letter for detailed information. In **literacy** we are working with the "magic e". We will practice reading and writing words ending in e. Help your child focus on the ending of words so that they can recognize this important rule. Understanding the "magic e" rule will help in decoding and sound stretching for writing. Our basic needs are shelter, food, water, clothes, and air. God has given us families to help meet these needs. In **Social Studies** we will finish discussing choice, scarcity and trade.

Please feel free to contact me with any questions that may arise.

School: 608-4006
