

# Team 1 Homenote

AnchorPoint Christian School

1/3/2018

## Dear Parents,

Welcome back to school! I find that coming back to a short week is easier for the kids. They are super excited and happy to see classmates. So, this week they will be settling into routine.

A big THANK YOU to all of you for remembering to send sack lunches this week. I know that not having the hot lunch available can cause a bit a dilemma for some of you.

The weather will be cold this week. Please make sure that your child has clothing for outside. However, the wind chill may keep us in a few days. I know that the kids love to go out and sled. The sleds that work the best are the foam ones. The hard plastic ones are cracking easily here at school.

The January reading calendar is coming home today. Please sign and send in the December calendar. Our class chart shows many who have been faithfully handing them in each month.

## A look at our week

In **Bible** this week we will return to Moses and the Israelites. We will learn about God giving Moses the 10 commandments. **Math**-The Youngers will take another look at telling time to the half hour. We will learn about time lines. The Olders will work on partial sums for this short week. Our **literacy** time will be spent reading in small groups and with partners. The kids will continue working with the word wall words as a way to learn them. In our writing we will begin talking about the parts of a sentence - parts of speech.

Please feel free to contact me with any questions that may arise.

School: 608-4006
