

# Team 1 Homenote

AnchorPoint Christian School

3/13/2017

*Dear Parents,*

This week Wednesday is our field trip to the Lollipop concert. We will enjoy the music and presentation of "The Little Engine That Could". It is also snack and popcorn sale day. The kids will have time to purchase and eat something before leaving for the field trip.

March is Reading Month. We are spending extra time in class each day reading from our book bags. In our schedule I list it as DEAR time (Drop Everything And Read). On Fridays or the last day of the school week we use the special object or clothing to help us enjoy our reading even more. Last week quite a few forgot the special item. Please help your child remember by putting it out the night before.

## *Team 1 Information*

### **A look at our week**

In **Bible** we are starting a unit on the Parables of Jesus. Each of the stories we study will have a special picture the kids will design to help remember the meanings. The new memory work is coming home today. This week in **Math** the Youngers will focus on 3-d shapes, symmetry and math facts. The Olders will take a look at graphs, Pi, and math facts. In **literacy work** we are reviewing and learning some tricky letter chunks. We just reviewed the 2 sounds of "ow" and the "ou" sound. By learning the sounds that chunks can make readers can sound stretch new words with better accuracy. Next up are the 2 sounds of "oo".

In **Science** we learned that God created 5 groups of animals in the vertebrate classification. We are learning about the life cycles in each group. We will notice how these are alike and yet very different.

Please feel free to contact me with any questions that may arise.
