

Team 1 Homenote

AnchorPoint Christian School

3/20/2017

Dear Parents,

Our Spring Program of Praise is fast approaching. On March 28 all the students of AnchorPoint Christian will participate in this evening program. All grades have been learning songs. Team 3 has the speaking and singing roles. It is such a wonderful evening of Praise. Please make sure it is on your calendar and invite family to come.

March is reading month! Your child has many ways of earning rewards for practicing reading. I am excited to see the Read-a-thon board in the hallway filling up. In class we have extra reading time every day. It is so awesome to see and hear so many students reading at the same time.

On Friday we have our special reading day. The kids may wear "comfy" clothes and bring a pair of slippers if they would like to. Comfy clothes are sweat pants or loose fitting clothing. Please remember that we will still be going out for our recess time.

Team 1 Information

A look at our week

In Bible this week there is a Bible memory verse due. Please help your child review and know this by Tuesday of this week. We are continuing to hear and learn about the Parables Jesus used to explain the Kingdom of God. This week in **Math** the Youngers begin a new math unit. The Family Letter will come home today to give you a better understanding of the new topic. The Olders will begin a unit on fractions. The Family Letter for the Olders is also coming home today. In **literacy work** our readings have all been about animals. Different groups have learned about amphibians, life cycles, feet, and hair. We have been talking about the different facts we learn. The kids will have an opportunity to share their learned information with other classmates. In **Science** animal habitats will be investigated. We will discuss how God created each habitat for the kind of animals living in them. We will find out how and why animals change their habitats.

Please feel free to contact me with any questions that may arise.
