

Team 1 Homenote

AnchorPoint Christian School

3/27/2017

Dear Parents,

Our Spring Program of Praise is this week Tuesday night. All the students of AnchorPoint Christian will participate in this evening program. Students should wear their navy blue AnchorPoint t-shirt.

"March is reading month" is almost over. Hand in the Read-a-thon envelopes by Thursday of this week. The Pizza Hut reading calendars may be turned in this week as well.

Our last fun activity is this week Thursday. Your child may bring in a beach towel and a favorite book to use while reading. We will do some warm weather reading.

Team 1 Information

A look at our week

In Bible this week we are finishing up our unit on the Parables that Jesus told. This week in **Math** the Youngers will practice making change when buying school items. We will also begin talking about fractions. The Olders will continue their work with fractions. They will learn about fractions of a group. The fact practice continues as well. In **literacy work** we will talk about asking questions in our minds as we read. Questioning is an important strategy for developing a good reader. Each student has a collection of words they have been learning this year. We will continue to practice these and add to the stack. In **Science** our learning about God's animals continues. This week we will begin our animal projects. Each child will gather information about an animal of their choice. When the project is completed each child will present the information to the class.

Please feel free to contact me with any questions that may arise.

School: 608-4006
