

# Team 1 Homenote

AnchorPoint Christian School

5/30/2017

*Dear Parents,*

What glorious weather God gave us this weekend! I hope that all of you were able to enjoy it.

This week we will be reviewing our words on the word wall. It is amazing to see all the words we have reviewed this year. I wonder how many your child can spell. We will have fun testing this during the week.

Please send a plastic grocery bag to school this week. As we begin wrapping up the school year there will be items coming home. I don't want them to get "lost" in back packs.

Have you checked the "lost and found"? There are many items. Maybe you will find something your child didn't know was lost.

## *Team 1 Information*

### **A look at our week**

**In Bible** we will discuss how we can be like Paul in his love of spreading God's word. Can we be missionaries here in our neighborhoods? What would that look like? This week in **Math** the Youngers are reviewing money and time. We will have a few timed fact reviews too. The Olders are working on place value. They will spend time reviewing math facts as well. In **literacy work** we will begin reviewing all the word wall words. Our sound chunks will be a review of those we have studied. Many of the reading groups have taken home their last book for the year. This week we will read some informational text. The groups will respond in writing to questions about each text. In **Science** we will explore how different liquids look, feel and act.

Please feel free to contact me with any questions that may arise.

School: 608-4006
