Dear Parents,

What are standardized tests for? This week students will take the mid-year **AIMSweb** tests in reading and math. These tests give us an idea as to how your child is progressing throughout the year on standardized goals. The results help identify students who may need some extra help or need to be challenged in some ways. You can help this week by making sure that your child gets enough sleep, eats a healthy breakfast and lunch, and arrives at school on time.

Please make sure that your child is prepared for the day with the proper outdoor attire—snow pants, coat, boots, and gloves. We also ask that students have shoes here to wear in the classroom and also for P.E. It is also helpful if you can label your child's outdoor clothes, especially boots and snow pants. We have had some go home with the wrong students lately.

If you have any questions, please feel free to call me at school or at home (724-1862) or email me at [komanchi@anchorpointchristian.org](mailto:komanchi@anchorpointchristian.org). Thank you so much for partnering with me in the education of your child/children.

In Christ,

Kimberly Omanchi
