Dear Parents,

Testing in progress! Students will be taking the mid-year marker of the **AIMSweb** tests in both math and reading this week. The best way that you can help your child prepare for these is to make sure they get enough rest and encourage them to try their best! Thank you for your help! I look forward to seeing the progress that students are making.

Student led devotions have been going well. It's fun to see students lead their classmates with a favorite Bible story or devotional. Please check the schedule to see if your child is next and help them prepare by finding a devotional to read from, a favorite Bible story or verse, a song on a CD or another creative way to lead us in devotions.

Please remember to return **postcards** addressed to a state other than Michigan for our United States Postcard Challenge. This is a fun way for the students to learn about the United States. Help us reach our goal by posting it on social media as well to get postcards from others we are not mailing actual postcards to.

This week we will be working on a project for chapel next week. Please consider joining us for **chapel** next Tuesday at 9:15 as Team 2 shares the creative project we are putting together.

If you have any questions about your child's progress or classroom activities, please feel free to call me at school, or at home (724-1862) or email me at komanchi@anchorpointchristian.org. Thank you so much for partnering with me.

In Christ, Kimberly Omanchi
