Dear Parents,

A New Year! A new year brings a time to start fresh, make resolutions, and set goals. As a teacher, it's strange to think of beginning a new year now, since for us, it's the middle of a school year. For me, though, I hope that the new year will bring new ideas, great learning experiences, and a chance to join together more as a team centered in Christ. May you have a blessed new year with all that it brings to you and your family!

A big thank you to all the parents who provided treats and helped out at our class Christmas party. It was a great way to celebrate together!

Next week, we will begin **student led devotions**. I will include in the homenote a schedule for the current and upcoming weeks for devotions. Students can bring in a devotional to read from, read a favorite Bible story or verse, share a song on a CD or use another creative way to lead us in devotions. When it is your child's turn, please help them prepare for their turn to share.

If you have any questions about your child's progress or classroom activities, please feel free to call me at school, or at home (724-1862) or email me at [komanchi@anchorpointchristian.org](mailto:komanchi@anchorpointchristian.org). Thank you so much for partnering with me.

In Christ, Kimberly Omanchi
