PEEK INTO OUR CLASSROOM

Reading: Students will finish reading a Beverly Cleary book with a literature circle next week. Our focus is on making connections and asking good questions.

Writing: Students will work on a bibliography for their state reports and have an opportunity to share them.

Math: 3rd: Focus is on capacity, mean & median, and making attribute graphs.

4th: Focus is on reviewing for a short test on fractions, decimals and percents. Then we will look at symmetry.

Social Studies: Students will practice for a quiz on the West and prepare for our big test on all 50 states and capitals.

HOMEWORK CORNER

3rd Math: HL 10.3 & HL 10.5 due THurs.; HL 10.6 due Fri. **4th**

Dear Parents,

Remembering...I am so thankful for those who have made it possible for us to live in peace in our country. I know this isn't the case in many parts of the world. Continue to pray for peace worldwide.

We will be working on our state floats in class this week. Please make sure your child comes prepared with materials. Our **state float parade** will be next week Monday, June 5th at 2:45. We look forward to seeing you there!

Please help your child review their 50 states and capitals for a test this Friday. I sent home a review packet but there are also some great online games to review these as well. State the State is a good one to identify the states and can be found at <http://www.coolmath-games.com/o-geography-state-the-state>. For the capitals, I like Penguin Hop which can be located at:

<http://www.wordgametime.com/games/states-capitals-penguin-hop>.

There is still time to get more postcards from our missing states. We just received Maine today, but still need several others. Check our bulletin board to see if you know someone from one of our missing states.

If you have any questions as we finish out the year, please don't hesitate to contact me.

In Christ, Kimberly Omanchi
