PEEK INTO OUR CLASSROOM

Reading: Students will meet for the first time with their Clements literature circles. They continue to practice reading with a group and working on reading strategies.

Writing: We will discuss adverbs and prepositions and how to use these in a sentence.

Bible: Focus is on the continued effects of sin as we read about Cain & Abel and Noah. We will also discuss and begin to work on our Christmas verse, Luke 2.

Math: 3rd: We begin a new unit on multiplication and division. Focus is on equal groups and arrays.

Math 4th: Focus is on estimating with decimals, decimal addition & subtraction, decimals in money, and thousandths.

Science: Dr. Biome will discuss prey & predators and animal food chains. Students will work on their biome posters and dioramas.

HOMEWORK CORNER

Bible: Our new memory verse is Luke 2 (3rd grade will learn 1-14 and 4th 1-18) which will be written in a fill in the blank form on Dec. 15th.

Writing: Adverb worksheet due Tuesday.

3rd Math: HL 3.8 & 3.9 are due on Wed.; HL 4.1 due on Thurs.

4th Math: HL 4.4 & 4.5 due on Wed., HL 4.6 & 4.7 due on Fri.

Reading: Encourage your child to read at least 15 minutes each night. Record minutes on the November logs.

Science: Need a shoe box by Thurs.

*Please check planner for changes!

*Parent signature is required on homework.

Dear Parents,

Thanks! I am so thankful for each one of my students and their families. God has blessed each one of you with a unique child with gifts all their own. Without each one of them, our class wouldn't be the same. Thank you for taking the time to meet with me during conferences. I pray that you all enjoyed a time of thanksgiving to God for what He has given us.

The Christmas store is coming! Our class will have the opportunity to shop for family members at the Christmas store this Friday, Dec. 1st. Please make sure your child comes prepared with a list of whom to shop for, money, and a bag to put their purchases in. Volunteers will wrap gifts for them.

Thank you so much for partnering with me in the education of your child/children.

In Christ,

Kimberly Omanchi

SKILL CORNER—PLAY BUZZ

BUZZ is a great game to play as you are riding in the car or sitting around the table. The first person chooses a number between 3 and 9. This number is the BUZZ number. This player (called the leader) also chooses a STOP number which should be at least 30. The player to the left of the leader begins the game by saying "1". Play continues clockwise with each player saying either the next whole number or "BUZZ." A player must say "BUZZ" instead of the next number if the number is the BUZZ number or a multiple of the BUZZ number. If the player makes an error, the next player starts with 1. Play continues until the STOP number is reached. For the next round the player to the right of the leader becomes the new leader.
