

KINDERGARTEN CONNECTION

November 20, 2015

BIBLE:

We got to hear about God's awesome power this week by studying the 10th plague (the beginning of the Passover tradition), how the Israelites crossed the Red Sea, how God provided water from a rock, and how God provided food for His people. We learned a song that sums it all up: "He's God Everything Under Control." We are also working hard on learning the song "We Believe".

Ll: Love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength.

Rr: Rejoice in the Lord always. I will say it again: Rejoice!

MATH:

We worked on patterning with cereal necklaces, we finished a number penmanship booklet, we ordered objects from smallest to tallest, we sorted by attributes, and worked on numbers 0-20. It was a VERY math-y week!

Our math counting goals this month were counting 0 - 70 and 11-0.

LANGUAGE ARTS/SCIENCE:

Our unit for this week and next was the first Thanksgiving. We learned why the pilgrims came to America, the trouble they had on the way and once they arrived, and how they would not have survived without the help of Native Americans (Squanto, in particular).

We will conclude our study of the first Thanksgiving and today's celebration of Thanksgiving with our Friendship Feast next Tuesday. You should have received an email from Erin regarding what to bring and asking for a head count.

SCRAPBOOK HOMEWORK: Rr Pictures

OTHER NOTES:

Our buddy activity this week was twofold: 1) assembling the goody bags for the Walk-a-thon next week and 2) reflecting on giving thanks for our buddies!

Reminder that we do NOT have school next Wed. because of Parent-Teacher Conferences.

Walk-a-thon, Library (books), T-shirt Tuesday, and our Friendship Feast all happen next week Tuesday!
