Happy November!

BIBLE:

Nn: No one knows about the day or the hour... only the Father knows. Be on guard. Be alert.

Pp: Pray continually.

Jj: Jesus said, " I am the Way, the Truth, and the Life. No one comes to the Father but by Me.

In our stories this week, Joseph got out of prison and was given an important job for Pharaoh - he organized the collection of food during the 7 years and he organized the distribution of food in the 7 years of famine. Joseph's family came for food. On their 2nd visit, he revealed himself and asked them to move to Egypt, where he could care for them.

MATH:

We worked with 10 frames, counting to 100, counting backward from 12, and recognizing numbers 11-20. We also used craft sticks to form geometric shapes.

LANGUAGE ARTS/SCIENCE:

Our topic was SPIDERS this week. Spiders not only have 8 legs, but most have 8 eyes! We learned other fun facts, too, as we read and discussed fiction and non-fiction books.

We worked on ABC order, matching capital and lower case letters, and rhyming, too!

OTHER NOTES:

November Book-It went home. Please ask if you do not understand it. At the end of the month, you can return it for a certificate for a personal pan pizza at Pizza Hut. If you miss a day, you can make it up by reading extra on another day.

Thanks for the gym shoes and library books on Monday!
