

Team 1 Homenote

AnchorPoint Christian School

11/27/2017

Dear Parents,

I hope that you had many wonderful family celebrations during the Thanksgiving break. This season is an exciting time of the year for your children. We will keep to our routine as much as possible. I find that routine helps everyone to stay on task better during the school day.

The Children's Christmas Store will be this week Thursday. This is an opportunity for your child buy small Christmas gifts for family members. Your child will need; money in an envelope with their name on it, a shopping list of who to shop for, a bag for all the gifts. Volunteers will help wrap their gifts.

Due to the Christmas store this week our class will have library on Tuesday morning. This will give the kids a chance to return books and find new ones.

A look at our week

In **Bible** we will begin learning about Moses. We will find out how God used him to free the Israelites from the Egyptians. **Math**-The Youngers are learning how to solve story problems. They will begin practicing math facts using dominoes. We will end the week with a unit review. The Olders will work on coin exchange and review for the unit test. This week during **literacy** we will practice using the "oi" and "oy" chunks. Think of the words; **oil** and **toy**, the chunks sound the same. We will notice that only one of these chunks is used at the end of a word. This will help when trying to spell words with these sounds. In **Science** we will be learning about our sense of touch. Often we think of only our hands when we talking about this sense. Our whole body has the ability to feel. Our bodies are wonderfully created by God!

Please feel free to contact me with any questions that may arise.

School: 608-4006
