

KINDERGARTEN CONNECTION

October 6, 2017

Here's a quick snapshot of our week:

BIBLE:

Verse: Your love, Lord, reaches to the heavens, Your faithfulness reaches to the skies. Psalm 36:5

Our story continued with Abraham telling his servant to find a wife for Isaac, which he did - Rebekah. They eventually had twin - Esau and Jacob. We heard how Jacob was sneaky and got both the birthright and the blessings. We finished with the story of Jacob on the run because Esau wants to kill him.

MATH:

We are still having fun with games and activities focusing on writing our numbers, as well as recognizing them. We are really trying to figure out 10 frames and have that idea of 5s and 10s help us. (6 is really all 5 plus one more, 10 is 5 and 5, 9 is one missing from the 10...)

LANGUAGE ARTS/SOCIAL STUDIES:

Lots of Aa practice this week. We also learned about apples - names for the parts of the fruit, the sequence from blossom to fruit, and we also incorporated seasons.

SCRAPBOOK:

Cc and Kk pictures (Since these have the same sound, please find 4 of each)

OTHER

We finished our AIMSWeb testing.

We had the Walk-a-thon.

WALKATHON pledges will still be accepted if you have not remembered to turn them in yet. They should be turned in on Monday to count toward the prizes, but will be accepted at any point!
