

Team 1 Homenote

AnchorPoint Christian School

10/16/2017

Dear Parents,

Today another KIDZ Have Rights worksheet is coming home. We review the front side in class. The back side is for family time. It will help you understand what we talked about with the KIDZ Have Rights instructor in September.

This week **Tuesday** there will be a popcorn/snack sale. Please make sure that any money comes labeled (in a bag or envelope) with your child's name.

We have a short week so, this week there are no new words. It will be a review week for our words. You can use the extra time to read and look for word families in your reading. There will be no math homework either. You can find other ways to practice math for fun. You can try recipe reading, measuring a room, counting change all are great ways to practice math.

I hope you enjoy the change of pace of the days off. The teachers will be going to learning sessions at a convention in Holland. We appreciate the extra learning time.

A look at our week

In **Bible** we will review the story of Sodom and Gomorrah. God saves Lot because of his love for God. **Math**-The Youngers keep practicing number models for subtraction and addition. The Olders are continuing their practice with fact families. They will explore weights and review odd/even numbers. This week our **literacy** work will review the "ch, sh, th, and wh" chunks. Listen to the way your child pronounces these chunks. A few are having difficulty with the "th". Make sure the tongue is touching front teeth. In **Social Studies** we will compare our family to school and see how these two are alike and how they are different.

Please feel free to contact me with any questions that may arise.

School: 608-4006
