

# Team 1 Homenote

AnchorPoint Christian School

10/23/2017

*Dear Parents,*

Grandparents and Grandfriends Day is Tuesday. Your kids are making special cards to give them. The kids look forward to seeing someone special visit them in class. The program will be in the gym at 9:10 and then visitors may join the kids in their classrooms.

In our reading groups the kids practice for fluency and comprehension. They love to bring the books home and show you how good they are getting in oral reading. Thank you for returning the book slip and book bags so promptly!

The new bible memory is coming home today. It will be due next week. I send home a special note with each child after they recite the Bible verse to me.

Pizza Party Wednesday! No need to pack a lunch!

*A look at our week*

In **Bible** we will learn about Abraham's son Isaac. In our stories this week he gets married and has 2 sons. We will learn how even when we try to take control, God will make things work out in His plan. **Math**-The Youngers will finish unit 2 with a review. A family letter is coming home to explain unit 3 - Patterns. The Olders are working on frames and arrows. "What's my rule" number patterns will be practiced. This week our **literacy** work will focus on the "oo" sounds in words. It can say the long sound as in "tooth" or the short sound as in "book". We will spend time looking for examples in our reading. We will begin a unit about our 5 senses in **Science**. God gave us our senses so that we can receive information about his world. We will discuss how people without a sense can still receive information.

Please feel free to contact me with any questions that may arise.

School: 608-4006
