

Team 1 Homenote

AnchorPoint Christian School

10/9/2017

Dear Parents,

This week we will meet with our Preschool buddies on Wednesday. Our team partners with Miss Becky's Monday/Wednesday class. We meet together once a month. The kids enjoy playing together and getting to know this younger group of friends.

Reading with your child is so important for growth in comprehension and fluency. The reading calendar went home last week and I would like to encourage you to read 20 minutes five times a week with your child. Some children have already developed the routine of reading alone before bed and this is great too. Listening and sharing in oral reading will help your child become stronger readers.

This week Thursday we will have a special reading day. Your child may bring a stuffed animal to read with and a favorite book from home.

A look at our week

In **Bible** we will find out about Lot's choice. God is faithful to Abraham and Sarah even when they doubt Him. **Math**-The Youngers will work with nickels and pennies. We will learn about subtraction number models. The Olders will continue working on addition facts. We take a look at turn around facts. Strategies for subtraction problems will be practiced. This week our **literacy** work will continue looking at the "ch, sh, th, and wh" chunks. As we begin books in our reading groups we work to read them fluently. After we practice the kids take them home to read to you. Please fill out the paper in the bag when your child reads you the book. Then your child will return all of it to school. In **Social Studies** we will continue talking about families. This week we will discuss how families are the same and how they differ. God made each family unique and special, just like each one of us.

Please feel free to contact me with any questions that may arise.

School: 608-4006

Home: 540-4969
