I am going to introduce the current events project this week as well. Each week, one student will find 3 current events based on the description on the rubric. I will do this week's to show them an example. Next week, Anthony A will start us off. If you have any questions after this week, please feel free to ask. I have a full schedule of when your student's week is that I will give out at the Back to School Bonanza.

On Thursday, students took home the student handbooks. Please look them over and ask Ms. Mulder any questions you may have. Also there was information on band and where to get an instrument. If you have any questions or need another copy, please contact the band teacher.

I hope you have a relaxing last few days of summer! Please contact me with any questions and see everyone Tuesday.

God's Blessings,  
Ed Harris
