

# KINDERGARTEN CONNECTION

---

September 8, 2017

Happy Friday! Another week that just flew by!!

I am sending home a Parent's Handbook for kindergarten. The first few items were about the beginning of the year, which is passed, but my computer saved the file as a pdf last year, so I couldn't make any changes. Please ignore the first few paragraphs! The rest will be beneficial to you. 😊

## **BIBLE:**

Verse: " In the beginning, God created the heavens and the earth... God was all that He had made, and it was very good."

We are starting our Bible stories at the beginning - with Creation. We are making a book, too. We should finish next week and then we will take them home to read to/with you.

## **MATH:**

We are still focusing on our numbers 0 - 10. We are counting forward AND backward from 10, too.

## **LANGUAGE ARTS:**

This week's focus was on "Rules": classroom rules, school rules, playground rules. Rules are there to keep us safe. We read several books about rules.

We are doing our Zoophonics every day, too. This involves a motion, the letter's sound, and the letter's name.

## **SCRAPBOOK:**

Your child is coming home with an envelope that has a letter circled (M this week). The directions are on the envelope. We will have this "homework" each week. Please use this activity to really emphasize beginning sounds with your child. (Ending and middle sounds come later 😊) Please return these each MONDAY. If, for some reason, you don't have the envelope home when you are doing these, just put the pictures into a baggie - no problem!
