

Team 1 Homenote

AnchorPoint Christian School

9/25/2017

Dear Parents,

This is the last week of September already! During the week we will begin student assessments using the AIMSWEB. This assessment tool will be used 3 times during the year to mark student learning. This year some of the assessments will be done on computers.

On Tuesday we will learn how God uses all of us to help each other. In social studies we will discuss Johnny Chapman. He impacted all of us with his love of apples. Then we will discuss how each one of us can impact others with our love for God. Please help your child learn the new Bible memory verse. It is coming home today.

Dining to Donate is a way to raise money for our school. You can participate using the flyer sent home last week. By ordering pizza at the Pizza Hut on 44th street on Tuesday, a percentage of the price is donated to school. You can use it for lunch or anytime during the day.

Team 1 Information

A look at our week

In **Bible** God always keeps his promises. This week we will learn about Noah and the promise God made after the flood. **Math**-The Youngers will begin the new unit on number grids. We will look for patterns. The Olders will finish unit one with a test on Thursday. This week our **literacy work** will be learning about Daily 5. We will practice working at all the 5 choices. This time works to build independence and self-stamina. In our word work we have been learning and reviewing word families. This week we will talk about the "ar" family. In our **Social Studies** we will learn about Johnny "Appleseed" Chapman. He helped many with his love of apples. Then we will review all the things our families do for us by creating a chart.

Please feel free to contact me with any questions that may arise.

School: 608-4006

Home: 540-4969

You can also send an e-mail to: sbreuker@anchorpointchristian.org
