

Team 1 Homenote

AnchorPoint Christian School

9/5/2017

Dear Parents,

We have a great group of learners in Team 1! The homework for the week is listed on the side. This week both Youngers (1st graders) and Olders (2nd graders) will have a math homework sheet. The homework is due by Friday each week but, may be turned in any time during the week. The words of the week are also homework and should be reviewed for the written quiz on Friday.

In Team 1 we have a late afternoon snack around 2:30. I find that this is helpful at this age to keep stamina going. Usually, the kids have something left from lunch. I keep pretzels and animal crackers for those who need something.

The take-home folder should always stay in your child's backpack. Your child should take out the papers and bring them to you to share. Keeping the folder in the backpack ensures a safe place to put papers.

Team 1 Information

A look at our week

In **Bible** we start the year learning how to walk with God. We will talk about confessing our sins, loving others and how we can live for God. The Bible memory is our school's verse. **Math**-Both the Olders and Youngers will be practicing math routines and learning how to use math tools. They will receive their math journals and spend time exploring them. Information about the math units is attached to the Homenote. Our **literacy work** will begin with letter sound review and focus on the 2 sounds vowels can make. We will spend time talking about vowels and consonants. Our words for the week are listed and attached so you can practice with your child. This week we will discuss the 3 ways to "read" a book; tell the story by looking at the pictures, read the words, or retell the story - after someone else has read the book. As a class we will learn or review how to Read to Self. We will work on our reading stamina.

Please feel free to contact me with any questions that may arise.
